ADDENDUM TO STRATEGIC PLAN
Addendum 23-1-1

To all solicitors:

Delaware County Transit has received several questions regarding electronic submission of proposals.

DCT will accept proposals that are sent via email to andyvolenik@delcotransit.com and:

- The proposals will need to be readable and printable;
- Proposals can be separated into sections insomuch as they are sent in order and/or provided a logical numbering system is used to easily organize for reading and review.

DCT does not prefer the use of websites or accessing proprietary software to review plans.
