POLICY

Policy Name	Resolution Number	Origin Date	Approval Date
No Show & Cancellation	22-06-04	3/2008	6/15/22

NOTE: The Delaware County Transit Board (DCTB) is the governing body of Delaware County's Public Transit System established by the Delaware County Commissioners under the authority of Ohio Revised Code section 306.01 and 306.02. This policy is established and set forth under the authority of the Delaware County Transit Board and/or the Executive Director of Delaware County Transit.

PURPOSE

Passenger No Shows and Late Cancellations place an undue financial and capacity strain and burden on the transportation system's resources and produce a negative effect on other passengers. The purpose of this policy is to establish passenger guidelines when a previously scheduled/reserved trip cannot be made by the passenger. The policy also establishes penalties for the passenger when the passenger does not follow the guidelines established. It is the intent of this policy to reduce the number of passenger no-shows and late cancellations and to provide a fair and equal opportunity of transportation to all passengers.

SCOPE

This policy applies to:

- DCTB administration and operations staff
- Passengers of the transit system.

DISTRIBUTION

All passengers through the DCT User Guide and DCT's website at www.delcotransit.com

FLEX Service

Advance Reservation Service: – Although not required, some passengers choose to pre-arrange transportation prior to the day of their trip.

Cancellation: - A trip that a passenger has previously scheduled but has notified DCT that the trip is no longer needed.

Penalty Cancellation: - Late Cancellations do not apply to FLEX service.

No-Show: - A trip that a passenger has previously scheduled/ but the passenger refuses the trip, the passenger is not waiting at the curb for the bus, or the passenger cancels the trip after the driver is in route. **Origin Window for FLEX:** zero minutes before the requested pick-up time and up to 30 minutes after the requested pick-up time.

Penalty Points – For each daily occurrence of a **Late Cancellation**, **one (1)** penalty point will be incurred by the passenger. For each occurrence of a **No-Show**, two **(2)** penalty points will be incurred by the passenger.

Excessive Penalty Points – An accumulation of four **(4) Penalty Points** within a twenty-eight **(28)** day rolling time frame.

Penalty – A three-week suspension of service or a \$25.00 fine for a passenger that incurs **Excessive Penalty Points**. The passenger may choose which penalty he or she receives.

POLICY STATEMENT

DCT and the DCTB understand that circumstances arise when a passenger cannot use the service for a scheduled/reserved trip. This policy strongly encourages passengers to cancel their trip as early as possible.

The DCTB strives to ensure that all potential passengers are provided with equal and fair opportunity to access the service. When a trip is scheduled/reserved and then later cancelled or results in a no-show, other potential passengers are negatively affected since their trip may have been denied.

To discourage excessive cancellations or no-shows, this policy establishes penalties for passengers when they reach an accumulation of four **(4) Penalty Points** in a rolling twenty-eight **(28)** day period. The penalty can be either a suspension of service for three weeks or a monetary fine of \$25.00. When an accumulation of Penalty points reaches the point of Excessive Penalty Points, all other previously scheduled trips will be cancelled for that passenger and reservations must be made again.

When a trip results in a No-Show, all other trips for that passenger for that day will be canceled unless the passenger notifies DCT that he or she still wishes to have that trip. Penalties must be paid or served prior to additional transportation services being scheduled or provided.

DELAWARE COUNTY TRANSIT BOARD

DCT will on occasion forego issuing penalty points if the reason for cancelling or no-showing is deemed out of the person's complete control. Should the passenger feel that they are to be excused, they must contact the Operations Director or Mobility Manager for discussion. DCT reserves the right to deny any request.

APPEAL PROCESS

If a passenger has been assessed (a) penalty point(s) that they believe have been assessed unfairly or in conflict with this policy, the passenger or passenger's representative may appeal the penalty point(s) with the DCT's Director of Operations in writing, email, in person, or a phone call.
